AskRI.org offers an abundance of resources to meet the needs of all of your library patrons. Refer to this document for direct links to AskRI's resources, and the conditions required for accessing each.

Additional information about each resource including [promotional images](#) and code for [embeddable search widgets](#) can be found on AskRI.org.

Email askri@askri.org with any additional questions about access.

Access Conditions

If you are in a public, academic, or school library, you should have direct access to all resources. Note that you may need to set up an account for some resources (including Gale Udemy, LearningExpress, Mango Languages, and Tutor.com) to track your progress and to access features remotely.

An Ocean State Libraries (OSL) card is necessary to access some of the resources provided through AskRI. An OSL library card is available free of charge to Rhode Island residents. Proof of identity with photo and current address is required. Valid types of identification include, but aren't limited to, such items as a driver's license, car registration, rental lease, state ID, college ID, and utility bill or receipt. Non-residents may purchase a full use card for \$115 per year.

Provider	Access Conditions
AtoZ	To use this resource from within Rhode Island, no barcode or password is needed; access is authenticated by IP address.
EBSCOhost	To use this resource from within Rhode Island no barcode or password is needed. In-state access (outside of a school or library) is authenticated by IP address.
Gale	First time use: You must enter your Rhode Island Public Library card number to create a Udemy account. A Google or Microsoft account is currently required to create a Udemy profile. To access this resource remotely enter your Udemy login credentials. Learn more about access to Udemy.
