# Access Conditions

If you are in a public, academic, or school library, you should have direct access to all resources. Note that you may need to set up an account for some resources (including Gale Udemmy, LearningExpress, Mango Languages, and Tutor.com) to track your progress and to access features remotely.

An Ocean State Libraries (OSL) card is necessary to access some of the resources provided through AskRI. An OSL library card is available free of charge to Rhode Island residents. Proof of identity with photo and current address is required. Valid types of identification include, but aren't limited to, such items as a driver's license, car registration, rental lease, state ID, college ID, and utility bill or receipt. Non-residents may purchase a full use card for \$245 per year.
